

## CIVIL WEDDING – NECESSARY DOCUMENTS AND PROCEDURES

1. Marriage license or Certificate of No Impediment by the competent authority of your country, along with an **official** translation in Greek, with an Apostille stamp affixed, if it's necessary
2. Birth certificate with an Apostille stamp affixed, if it's necessary, along with an **official** translation in Greek
3. Simple photocopy of your passport
4. Simple photocopy of your legal stay in Greece
5. In case that one or both parties have previously been married, the divorce or death certificate is needed

Additionally, you will need to have with you an extra photocopy of your birth certificate ( the original and the translation ) and two copies of your passports, as one is for our department and one you will submit it at the Registry office after the wedding ceremony.

A few weeks before your preferable wedding date, you need to send us an email including a copy of these documents translated in Greek, in order to confirm that everything is correct . After this procedure is completed, we can book your wedding date.

Three days prior to your wedding, you need to be here, at Dimotologio, in order to submit all the original certificates, translation, etc, also to fill out (both in English and Greek) three more forms (please find attached) and pay a 100 euro fee.

After your wedding ceremony is completed, you need to register your wedding at the Registry office. For this you need an appointment, so please send an inquiry at: registry [office@corfu.gov.gr](mailto:office@corfu.gov.gr)

- ❖ **Translations**, especially the first and last names, should be written **in lower - case accented letters** and not in capital letters. Example : MARIA PAPADOPOULOU - Μαρία Παπαδοπούλου
